

# 5 THINGS TO DO AS A NEW YOUNG PROFESSIONAL MEMBER

Membership benefits overflow for NAHB members – ranging from connecting with a new business partner and being part of the change in the industry to learning the hottest new trend or speaking with an industry expert who can give you the answers you seek. Try these five things to jumpstart your membership.

## Create a Login for NAHB.org

Visit [nahb.org/register](http://nahb.org/register) to start accessing the benefits to propel you and your business forward. Access Industry Insights, Exclusive Savings and Education as part of your new membership.

01

## Attend a Local Event

As your HBA we are here to support you in your local community. Come attend the next HBA event and meet fellow members like yourself who believe in your success.

02

## Follow NAHB Young Professionals on Social Media

Search “NAHB Young Professionals” on Instagram or Facebook to get connected to like-minded members across the country.

03

## Find a Mentor

A good mentor can make a lifetime of difference in your career and business. NAHB offers Mentor Match, a way to connect with a mentor that is right for you.

04

## Join a Committee

Committees are a place for members with common interests to exchange ideas, develop policy, and improve the home building industry. Sign up for a committee and find your voice!
